# HAMILTON POINT INVESTMENTS

[Home \(http://hamiltonptinv.com/\)](http://hamiltonptinv.com/) » Hamilton Point Capital

## Hamilton Point Capital

Hamilton Point Capital is the equity sales group within Hamilton Point Investments LLC. The company invests through a series of real estate private-equity funds that raise equity from individual accredited investors through broker-dealer financial advisors and registered investment advisors. The company has selling agreements with over forty broker-dealers and registered investments advisors that collectively employ over 5,000 financial advisory professionals.
